## MESSAGE FROM THE SUPERINTENDENT

October 22, 2021

Dear NLSD Families,

Fall is in the air! From our primary buildings hosting pumpkin patches to the upcoming Halloween festivities planned, our students are partaking in fall fun across the District. Once again, NLSD will have a display at the Scarecrow Stroll located at the Village Commons. We encourage families to visit the NLSD display. If you take a photo at the NLSD display, send it to the email [scarecrowpics@nlsd122.org](mailto:scarecrowpics@nlsd122.org) and it will be posted on social media.

Fall also signifies the end of first trimester. We could not be prouder of the way our school community has worked together to provide the very best for our students. An important component of our success is the partnership between home and school. There is no better way to strengthen the relationship between home and school than by attending parent/teacher conferences. Please see the information below regarding parent/teacher conferences.

On Monday, November 1, 2021, parents will sign up for parent/teacher conferences using PTC Wizard. In order to meet the needs of all families, NLSD will offer parents a choice of either an in-person or ZOOM parent/teacher conference. For scheduling purposes, there will be assigned blocks of time for in-person or ZOOM parent/teacher conferences. Please refer to the assigned in-person and ZOOM times when scheduling your conference. ZOOM links will be shared closer to the conference date.

**Proper mask wearing will be required for all in-person conferences. If parents are unable to comply with the requirement, they are asked to sign up for a ZOOM conference. In-person conferences are for parents only. If parents are unable to make childcare arrangements, parents are asked to sign up for a ZOOM conference.**
