MESSAGE FROM THE SUPERINTENDENT

November 18, 2021

Dear NLSD Staff and Students,

As we enter the week of Thanksgiving, it is easy to look around NLSD and express gratitude for our exceptional school community. Thank you staff, parents, Board of Education, and our wonderful PTO for sharing the common vision to provide the very best for the amazing students of NLSD! Below you will find some important reminders/updates regarding the weeks ahead.

- The staff is looking forward to meeting with our families for parent/teacher conferences. Please note that proper mask wearing will be required for all in-person conferences. If parents are unable to comply with the requirement, they are asked to sign up for a ZOOM conference. In-person conferences are for parents only. We look forward to these important meetings.
- As winter approaches, the risk of inclement weather increases. In the event that our District would need to close buildings due to weather, the District will provide an e-learning day. The e-learning day will consist of a combination of live instruction and asynchronous learning activities. Details regarding the e-learning day schedule will be provided by your building in the coming weeks.
- The Chicago Dough NL PTO Dine and Donate is today! Mention the NL PTO and a portion of the bill will be donated to our PTO. In addition, today is the deadline for the PTO Gift Card sale. Check out the PTO Facebook and Instagram pages for more information regarding upcoming events. We are grateful for our NL PTO!

On behalf of NLSD 122, we wish our entire school community a joyous Thanksgiving!

Sincerely,

Lori Motech

Lori R. Motech, Ed.D
